

ESCAMBA ECHEE

May, 1984

Meeting: Tuesday, May 22, 1984.

Time: 7:00 P.M.

Place: Thomas E. McMillan Museum, JDC Campus

Program: "Photographs of Yesteryear"

Few things are as interesting to everyone as old photographs! At the Tuesday night meeting, we will all bring old photos to share - the older the better, together with any information we might have concerning them. If you can't find an old photo to bring, don't let that keep you from coming - just come on and enjoy the special share and tell session. Attendance was good at the April meeting, so let's keep it up!

Museum

With summer coming on, you might have visitors. Don't forget to take them to visit the Thomas E. McMillan Museum at Jefferson Davis Junior College. New items are being added to exhibits all along, and John Powell, curator, is as gracious a host as you could wish for this wonderful facility. Also, when you have an afternoon free, remember that it is a rewarding experience to browse through the Alabama Room at the college.

Books

History and genealogy buffs will surely want to add these to their libraries:

The History of Escambia County, Alabama, by Annie C. Waters. This 670 page hardbound book, with photographs, is available at the Probate Office in the courthouse, Brewton, or may be ordered by sending \$27.50 to: Escambia County Historical Society, P.O. Box 276, Brewton, Alabama 36427

Headstones and Heritage, by McFarland and Shelton. Copies may be obtained at McMillan Museum on the Jefferson Davis Junior College campus or may be ordered by sending \$15.00 to the Society at the above address.

Appreciation:

We want to thank East Brewton Mayor Lovelace Parker and City Clerk Karen Singleton for helping us in getting out this newsletter.
