MEETING: Tuesday, September 23, 1986

TIME: 7:00 p.m.

PLACE: Thomas E. McMillan Museum on Jefferson Davis Junior
College Campus, Brewton

PROGRAM: SHOW AND TELL

"Show and Tell" is always a favorite program, and ALICE TILL BEALL is coordinating this one. Bring to show and tell about any old thing that is interesting or funny. Suggestions: needlework, old mugs, mustache cup, plates, glassware, kitchen utensils, medical supplies - anything from grandma's day. We'll have fun! Bring a guest!

CENTENNIAL QUILT

We all remember that beautiful heirloom quilt created by Mrs. Jeanette Cain for the Brewton Centennial last year.

You will be happy to know that the Centennial Quilt will be placed in the Thomas E. McMillan Museum, through the generosity of Mrs. Cain. Preparations are now being made for proper display and protection of the quilt.

INTERESTING LETTERS

Although the E.C.H.S. is not a genealogical society, we still have interesting communications from various places, and of course, we welcome these and will help with answers when possible.

Rita Jane Boykin, our able corresponding secretary, reports that among communications from throughout the U.S., there are those regarding the Stone family ancestors by a member in the state of Washington; letters from South Carolina and Massachusetts; one regarding a Simmons family with relatives in East Brewton; A Mrs. Bolick asked about ~~Miss~~ relatives, who happened to be living just around the corner from Miss Boykin. Jake Smith of Pensacola made two trips here and was happily rewarded by finding some of his relatives through Mrs. Annie Waters' book. Rita Jane, we all owe you a debt of gratitude for your patient work in keeping in touch. And.....keep those letters coming!
