January, 1987

MEETING: Tuesday, January 27, 1987
TIME: 7:30 p.m.
PLACE: Thomas E. McMillan Museum, Jefferson Davis
Junior College campus, Brewton

PROGRAM: WHERE WE'VE BEEN, WHERE WE'RE GOING

A review of the microfilming project will be given by President Nettie Parker, and this will make us all proud to be a part of this important undertaking.

Interesting accounts of developments relating to her task of letter writing to our many correspondents will be given by our able correspondence secretary, Rita Jane Boykin.

And, your editor will give comments on getting out the monthly newsletters and the quarterlies.

We'll also take a peek ahead, and welcome your comments, so let's all start the new year off right and attend the Tuesday night meeting. See you there!

PROGRAMS AHEAD

Some very interesting and informative programs for the coming year are already in the planning stage. You'll hear all about those later.

MICROFILMING

The holidays and other factors have delayed the return of our microfilms and bound newspapers. These should be back before long, and we'll keep you posted.
