NO FEBRUARY MEETING

IMPORTANT! The meeting of the Escambia County Historical Society scheduled for Tuesday, Feb. 24, has been CANCELLED. The executive board of the Society agreed to cancel this meeting due to "A Chorus Line" being presented at Jefferson Davis Junior College on the same date. Many members had indicated a wish to see this production, and it was felt to be in the best interests of all to cancel our February meeting. See you in March!

MICROFILMING PROJECT

Dr. Paul Martin has picked up the remaining copies of newspapers to be microfilmed, and all that remains to be done on the project is the making of duplication sets of microfilm, which will be kept in the archives in the event something should happen to any of the ones kept at Jefferson Davis Junior College. We should be receiving our microfilms and newspapers in the next few weeks. We will keep you posted.

MAILING LIST

It is time to update our mailing list of dues paying members of the Society. We want to do this as soon as possible, so please send in dues of \$7.50 per year so we can complete this project. Many have indicated an interest in having a copy of the mailing list, so we hope to carry a membership list in a quarterly sometime this year. Every member can help by getting dues in as soon as possible. Mail dues to The Escambia County Historical Society, P. O. Box 276, Brewton, AL 36427.

EDITOR'S NOTE

Your editor is very happy to report that she has assumed the duties of office manager for The Escambia County Delegation Office and secretary to Alabama Representative F. P. "Skippy" White. Rep. White has graciously permitted us to keep some of the Quarterly materials in this office. Since your editor will be working only three days a week, it should allow more time for better (and more punctual) quarterlies. Feel free to visit this office, which is open Monday, Thursday and Friday of each week. It is in the Wallace Administration Building on the Jefferson Davis Junior College campus. The telephone number is 867-4832, ext. 71. Doris Bruner.

SHARE MATERIAL

We want to encourage all members to share material for our quarterlies. We are always glad to get letters, historical sidelights, reminiscences, newspaper clippings or what have you? What about old timey recipes, remedies, anecdotes or whatever you come across that would be of interest. Items do not have to be long, nor do they have to be of a scholarly nature. We want to have variety in our quarterlies, and welcome your help and suggestions. Oh, yes, art work, such as drawings can be reproduced on our copy machine, so share your talents.
