EXCITING NEWS! FIELD TRIP AHEAD!

MEETING: Tuesday, June 27, 1989

TIME: 7:00 p.m.

PLACE: THE LITTLE LOG HOUSE, Lions Park,
Flomaton

PROGRAM: Flomaton Research Club, Ann Jackson,
president. Program and tour of the
interesting Little Log House will
be featured.

What an exciting program this is going to be!

We will go back in time to a pioneer experience as we tour this real Little Log House as guests of the Flomaton Research Club. The Society is not forming car pools for this field trip, but members may want to do so on their own. To find the Little Log House, turn left on PALAFOX STREET, just after crossing the bridge into Flomaton. (Do not go all the way to the traffic light). On Palafox, take another left on COLLEGE STREET, and this will deadend at LIONS PARK and the Log House. Let's all be sure to take advantage of this experience. It's sure to be memorable. Hostesses will be members of the FLOMATON RESEARCH CLUB. Guests are welcomed.
