March, 1990

MEETING: Tuesday, March 27, 1990
TIME: 7:00 p.m.
PLACE: Thomas McMillan Museum, Jefferson Davis
Junior College, Brewton
PROGRAM: SHOW AND TELL

Well, won't we all remember March of 1990? This has been a month that will live in history, quite sadly, for years to come. Our program will be **SHOW AND TELL**, and you are invited to bring just anything that will be of interest to other members. If you don't have an item to bring, maybe you can just relate something - a memory, an anecdote, - anything. Just come on and bring a guest. We'll have a good time together!

THANKS, WELDON!

Thanks to Weldon Vickrey for bringing us a most delightful program in March. His enthusiasm for purple martins is most infectious, and it made us all want to get busy putting up gourds or houses for these beautiful birds. We really did enjoy this program, and appreciate Weldon's taking time out of his busy schedule to be our guest!

SOCIETY MEMBERS HELP OUT!

Escambia County Historical Society members are always in the front lines when there is volunteer work to be done. We don't have all the names, but we do know that many Society members were just so helpful in many areas where they were needed during the recent terrible flooding. You members deserve a vote of thanks, and we commend you for your humanitarian deeds!

TELEPHONING HELPS OUT

Your editor, being delayed by many unforeseen factors in getting this newsletter out in time, asked several members to telephone others to pass the word along about Tuesday's meeting, since the newsletter will not get to you in time to make much preparation for the meeting. Thanks to the "telephoning crew" who pitched in to "get the word out."

REMEMBER THE MEETING — TUESDAY AT 7:00 p.m.!
