PROGRAM: THE OLD FEDERAL ROAD, Video presentation by
Dr. JERRY ELIJAH BROWN, Journalism Department,
Auburn University.

This video, taped by Mervin Huff at a meeting of the Mobile Genealogical Society last year, gives a very interesting account of "The Federal Road through Georgia, The Creek Nation and Alabama, 1806-1836. The Old Federal Road was an important link during pioneer days in this area and played a great part in our history. Don't miss this important meeting.

In addition, as you are aware, we have not had a business discussion since October, and there will be a number of things that need to be brought up at this meeting. Guests are welcome!

HOSTESSES: Mary Catherine Luker and another
member.

REVEREND WATERS PASSES AWAY

We report with sadness the death of Reverend M. G. Waters, a longtime friend and supporter of the Escambia County Historical Society. Reverend Waters was an honored minister who made a great impact in the Christian growth of this area. He and his wife, the late Annie C. Waters, also made great contributions to the preservation of history of the area, and Reverend Waters was most supportive of "Miss Annie," as she researched and wrote "A History of Escambia County, Alabama." We extend our sympathy to the family.
