Mark the date on your calendar, and don't miss this meeting, which promises to be most informative! In Brewton, not too far from our meeting place was the site of a large C.C.C. camp during the late 1930's. Mr. Carroll and Mr. Huff, both of whom served in the C.C.C., will tell us about this organization. Let's all turn out! Bring a guest!

HOSTESSES: MINNIE SMITH AND KATE ADKISSON

QUARTERLIES OUT SOON

Thanks to the diligence of **JEWELL WILLIAMSON**, the copy work on the September quarterly is almost finished, and they should be mailed to you soon. Also, your editor wants to thank her granddaughter, **FLANNERY BRUNER**, who single-handedly folded, stapled and attached address labels for two newsletters during the summer! All this good help makes the work go easier!

ARTS COUNCIL SEASON SET

Don't forget that the Brewton Arts Council's season will soon begin, and they always need our support in bringing excellent programs to our area.

A LITTLE BIRD TOLD US

A little bird told us that **HARRIET RUSHTON** had a painful mishap in the way of a broken or sprained toe. We're sorry, Harriet...that shouldn't happen to such a nice person!

PHOTOGRAPH ARCHIVES

Although we don't have any funds set up for that purpose, let's individually get our photo archives started. Be selecting pictures from your album for that purpose. If each of us, at our own expense had one photo made for the archives, it would give us a great start, wouldn't it?
