APRIL MEETING WAS FUN!

We all wanted to take a trip after we heard the fine program by Janie Ward at the April meeting. Janie is going to keep us posted on trips coming up in the future that we might want to take. Thanks, Janie, for being our guest speaker in April.

MOYE'S DONATES STAPLER

A nice heavy-duty stapler has been donated to the Society by MOYE'S PRINTING of Brewton. We appreciate this stapler very much, and we have already put it to use in getting out the quarterlies.

JUNE AND EVELYN DESERVE OUR PRAISE!

As you know, JUNE TAYLOR provides some very interesting material for our quarterlies, as does EVELYN JERNIGAN. Well, both of these members gave many hours of work recently in charting and listing of the HANBERRY CEMETERY, which we will use in an upcoming quarterly. The Hanberry Cemetery is not listed in Headstones and Heritages, so there was a real need for a listing to be done. June and Evelyn performed this task on a day that was overcast, with little sunshine. When you talk to either of them, ask them about what they encountered that made the job more difficult! Thanks a million, June and Evelyn, for a much-needed job well done, and for your interest in our quarterlies!

WE MISS YOU, CAROLINE

We certainly have missed Caroline Liles, who has recently undergone knee surgery. Caroline is improving and should be back on track real soon. Caroline has done much "behind the scenes" work for the Society and for the Jefferson Davis College library, and we hope she will soon be fully recovered.
