As you know, from time to time, we have to set aside a meeting so that we can review our projects in progress and also plan for the months ahead. This is very important for the life and achievements of the Society, and we need YOU! So, don't miss this important meeting, and as always, guests are welcome.

But, we also need a little fun, and we have some fun in store in a member-participation session. Let's all perk up our summer doldrums and have a big turnout for the Tuesday meeting!

QUARTERLIES ON THEIR WAY

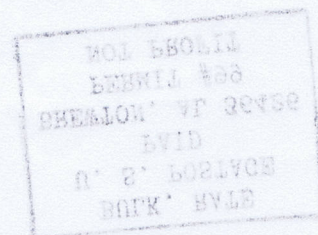

Thanks to the help of Jewell Williamson and Mary Ethel Ward, who do the copying, to the RSVP members, who do the assembling, and to our president, Mervin Huff, who comes and carts the finished product to the post office, our June quarterlies will be in the mail to you about the time you receive this newsletter. Thanks again, also, to June Taylor and Evelyn Jernigan, who prepared much of the material in this issue. Now, to begin work on the September issue. If you have a family history or other material you would like to see published in the quarterly, please let me know by calling 867-5506.

THANKS, ELIZABETH CROOK!

A big thanks goes to Elizabeth Crook, who drove down from Repton to present our June program. Your editor hated having to miss this program, but has had reports that it contained much interesting information. Doris Atkins continues to do a fine job in arranging for our programs each month.

ATTENDANCE GOOD

We're so elated that our attendance has been good at recent meetings, despite uncertain weather. Let's keep up the good work! YOUR attendance encourages others, and when you're absent we miss YOU! As we have noted many times, we very much appreciate those members who pick up others for a meeting.
