"SAFETY IN OUR TIME"

What a timely program we have for the August meeting! Busy Brewton Police Chief Grover Smith has agreed to give us a program on safety, and we all need to hear his message! Chief Smith's programs on this topic are always interesting and well-received. Let's try to fill our meeting room for this meeting, and remember, guests are welcome! See you there!

Also, we will discuss our upcoming Christmas party, which will be held in early December, so we need you to be at the meeting to give your input.

## ALABAMA ROOM

Work has begun on straightening the files in the Alabama Room, and Chairman Doris Atkins reports that the work will continue in September. As you know, during the summer with vacations, visitors, humid weather, etc., it is hard to get efforts like this going. However, we are getting ready to settle down for some hard work, and Doris may be calling on you for assistance in this project.

## REMEMBER THEM

If you know of a member who needs remembering at newsletter time, please call your editor at 867-5506 evenings. Two of our members are "under the weather" at this time, and you might want to drop a note to the following addresses: Frances Green, 206 Forrest Avenue, East Brewton, AL 36427; and Lula Pearl Neal, P. O. Box 205, Brewton, AL 36427. We're thinking of you both, Frances and Lula Pearl, and hope you will soon be feeling fine!
